GRADUATE DIPLOMA OF EARLY CHILDHOOD EDUCATION

OVERVIEW

Graduate Diploma of Early Childhood Education		
The Graduate Diploma of Early Childhood Education equips graduates with a fully accredited professional qualification accredited by ACECQA. It accredits you to work in Early Childhood Centres with children from 0 to 5 years old.	Director of Studies	Cassandra Pendlebury
	Program Convenor	Dr Debra Williams
	AQF Level	AQF Level 8 (Postgraduate)
	Qualification	Post Graduate Diploma
	Subjects	8
	IELTS	6.5
	Languages of Instruction	English
	CRICOS	117388C
	ASCED Code	070101
	Accreditation	Self-accreditation Professional accreditation (ACECQA)
Course Length	1 years full-time; up to 4 years part-time	

This Diploma is a one-year full-time qualification for a career in early childhood education and care services, long day care centres, and preschools. Admission into the course is via an undergraduate degree in any discipline, including a teaching qualification.

The course incorporates 60 days of professional experience in early childhood education settings and covers key areas of child development, education and curriculum studies, family and community contexts, history, and philosophy of early childhood, and ethical leadership and management. The program incorporates evidence-based theory and innovative practice to equip you with the necessary critical and pedagogical strategies in your work in early childhood contexts. It provides opportunity for students to explore these through a Christian worldview and to embed biblical principles and perspectives in their teaching practice. It equips students with the knowledge and skills required to competently address contemporary education and societal challenges.

The course builds on Alphacrucis University College's established expertise in producing graduates with purpose who embody integrity, professional knowledge and who make a positive contribution to society. This award is accredited by the Australian Children's Education and Care Quality Authority (ACECQA).

AC GRADUATE ATTRIBUTES

Christian Worldview

A knowledge of the Christian story, derived from the Scriptures and tradition of the church. An awareness of the implications of this story for self-identity in the context of local and global communities. This includes a commitment to engage with alternate worldviews, showing appreciation of the values and perspectives of others.

Leadership

The ability to provide effective Christian leadership to individuals, groups and organisations, demonstrated in the capacity to influence and enable others to accomplish worthwhile objectives which contribute to the human good and the kingdom of God. This includes seeking to emulate the example of Jesus Christ in serving and empowering others.

Integrity and Justice

The ability to apply a Christian worldview in the diverse situations and responsibilities of life, and to exercise faith, hope, love and generosity as prevailing attitudes. This includes the active promotion of the gospel, social justice, equality, mutual respect and an ecological ethos.

Communications

The ability to communicate effectively to a range of audiences, in appropriate contexts using high levels of verbal, written and technological skills. This includes visual and media literacy, numeracy, rhetoric and persuasion.

Personal and Social Skills

Demonstrate relational skills that incorporate the flexibility for both independent and collaborative situations. This includes personal and group organizational skills, conflict management and resolution, as well as the ability to value and respect the opinions of others.

Critical and Creative Thinking

A capacity for critical and reflective thinking that is explored not only individually but within a community context. This includes a capacity to be creative and to research, analyse and resolve problems in innovative and prophetic ways.

Professional Knowledge

Maintenance and use of knowledge about a discipline or field, involving theoretical, conceptual and methodological elements. This includes striving continually and independently to secure further knowledge and where appropriate, defined professional skills.

Pathways

Students who have successfully completed this course and wish to register as teachers with their state teaching authority can complete additional workplace and professional requirements to obtain this status. This course can also provide a pathway into a related Master Degree.

Career Opportunities

Graduates of the Graduate Diploma of Early Childhood Education may find employment in Early Childhood Centres.

Work-Integrated Learning

Work-Integrated Learning will be undertaken through Professional Experience Placements. These subjects seek to create a direct linkage between the learning, skills and values engaged in lectures, and the reflection which occurs when these are applied in real-life settings. These work-based training subjects comprise of instruction, academic assessment and a placement in a workplace for each subject. Organisation and placement will be conducted by the AC Professional Experience Coordinator. Please note that AC professional experience team will try to arrange a professional experience close to where you live but that this may not always be possible and students may need to travel to their professional experience site. Students can also organise their own placement this, however, needs to be approved by the AC professional experience team and the conditions of the placement need to meet the course and tertiary requirements.

1. EXP431 Professional Experience 1 (10-days 0-3 and 20-days 3 to 5 in Early Childhood and Care Centre)
2. EXP432 Professional Experience 2 (30 days - 0 to 5 in Early Childhood and Care Centre)

If English is not the applicant's first language or if their first degree was awarded in a non-English speaking nation, they will be required to show proficiency in the International English Language Testing System (IELTS) (or equivalent). Such students admitted into our programs must attain an overall IELTS (or equivalent) score of 6.5 (with no score below 6 in any of the four skills areas, and a score of no less than 6 in speaking and listening), either on entry to or on graduation from the program.

Applicants are encouraged to contact the [International Student Office](#) if they are unsure of the equivalence of their English language proficiency test scores.

Additional Essential Requirements

Anaphylaxis e-Training: Training is provided free online by the Australian Society of Clinical Immunology and Allergy (ASCIA) <http://etraining.allergy.org.au/> On completion of the online module participants receive a certificate of completion which must be included with your application. The training is required to be successfully undertaken every two years. This is the only training for anaphylaxis management that New South Wales Education Standards Authority (NESA) will accept. Students are required to complete this prior to their Professional Experience unit enrolment.

NSW Department of Education Child Protection Awareness Training: All students are required to complete the NSW Department of Education Child Protection Awareness Training (or the training required by their state) before enrolling in a Professional Experience unit. Students who have met the academic and essential entry requirements can progress into the course prior to completing this training.

Special Admissions Pathways

AC's [Admissions Policy](#) details the special admission pathways for our courses of study. The Special Admission Pathways are evaluated on a case-by-case basis by the Program Director. A student's admission requirements may be reconsidered on educational disadvantage grounds. *For a full list of educational disadvantage grounds, please see AC's [Admissions Policy](#).*

ACCESS AND EQUITY

AC is committed to providing a learning environment that is free from discrimination on the basis of income, age, disability, social and ethnic background, location or gender. AC endeavours to increase opportunities for people of all backgrounds to participate in training programs, and implement programs that take into account the specific needs of participants. AC encourages students to inform AC of any disability, medical condition or learning need that may impact on their studies to arrange a study plan that best suits their needs.

HOW TO APPLY

Once you have chosen your course of study, you will need to apply direct to AC. Applications typically close 3 weeks before semester commences.

All AC application forms are completed online. There are different forms depending on the level of study you are applying for and the location of your course.

Further information on How to Apply and access to AC's Application Forms is available on our [website](#).

Credit transfers and recognised prior learning (RPL)

You may be entitled to credit for prior learning, whether formal or informal. Formal learning can include previous study in higher education, vocational education, or adult and community education. Informal learning can include on the job learning or various kinds of work and life experience. Credit can reduce the amount of study needed to complete a degree.

For further information about credit and recognition of prior learning please see AC's [Credit Transfer and Recognition of Prior Learning Policy](#) or contact our [Student Support](#) team.

HOW TO ENROL

Once you have returned a signed copy of your Letter of Offer to accept your place at AC, you will be invited to enrol in your specific subjects in the next academic period. Students are required to consult their timetable (can be found [here](#)), and contact the Program Director for tailored academic advice before completing the enrolment form.

Any credit transfers or recognition of prior learning will also be applied at this time.
